“ Alex was a great guy. I had known him since grade school. The last time I saw him was two years ago. We talked on my porch and he said how much he loved his family. Always kind and with a good sense of humor. Sending prayers to his family.-

“ To Ann, Jim, Victor and Dale

Don't think of him as gone away  
His journey's just begun.  
Life holds so many facets-  
This earth is only one.

Just think of him as resting  
From the pain and from the tears  
In a place of warmth and comfort  
Where there are no sorrows or fears.

Think how he must be wishing  
That we would know today  
How nothing but our sadness  
Can really pass away.

And think of him as living  
In the hearts of those he touched  
For nothing loved is ever lost-  
And he was loved so much.
