

Josephine Marie Sorg

March 16, 1932 - February 13, 2021

Josephine Marie Sorg died peacefully on February 13, 2021 at the age of 88. She was surrounded by her family after suffering with Alzheimer's for 15 years. The disease never erased the caring, loving, supporting and giving person that she was throughout her life. Josephine was born and raised in Camden, and she and her husband ran a successful roofing business for 55 years. She was the secretary, accountant, office manager, typist, and heart of the business. She was very involved in her local church St. Anthony of Padua in Cramer Hill, organizing social events and constantly helping people who needed help. She later became very involved in Cathedral Academy's Mother's Club and you would always find her cooking for fund raiser events. She was a talented hair dresser and graciously gave of her time to cut and style friends' and neighbors' hair, but children gave her the most pleasure, and she was always watching or caring for a niece, nephew or grandchild.

She was an avid gardener, cook, and loved to read, especially books to enrich her spiritual life and to educate herself since she never graduated from high school. She believed education was the way to success and encouraged her children to aspire to receive one. Josephine's laugh was infectious and she had a way of making everyone around her feel loved and appreciated. She also loved to be at her West Creek house with her husband cooking and entertaining for family and friends...crabbing being the main event.

A devoted daughter of the late John Woloszyn and Olga nee Sobczak. Beloved wife of the late Carl M. Sorg of Camden, NJ. Loving mother of Carol J. Neumann and her late husband William of West Creek, Carl Sorg and his wife Linda of West Creek and Mark Sorg and wife Suzanne of Haddon Township.

Josephine's greatest gifts were her grandchildren Cara (Matthew), Bill (Kristina), Lindsay (James), Courtney (Zachary), Carl (Amber), Zachary (Lyndsey) and Jacob (Kristina) and 10 great-grandchildren. She also was a loving sister through life to five sisters and two brothers. Survived by several nieces and nephews, too.

Family and friends are invited to attend a visitation Wednesday, February 24, 2021 from 8:30 AM -10:00 AM at Inglesby and Sons Funeral Home, 2426 N. Cove Rd. Pennsauken, NJ 08109. “ Carol, Carl, Mark and family,
Your Mom was one of the sweetest people I knew. From the day I met her, I was privileged to witness and hear her commitment to her Lord and all of you. When you spoke with Jo, you could see how she listened intently with her heart. She always made you feel important. Her laugh embraced you, and soon you were laughing just as hearty.
She was one of God's gems. Boy, did she shine! I am thankful to have been able to share a brief part of her life. My prayers are with your entire family. God bless.

“ What great memories of a wonderful, old friend! We first met at St. Anthony’s and shared many experiences, discussions, laughs and mutual friends. For many years Jo and I, along with our friend Kathy would spend every Thursday evening at Friendly’s enjoying conversation and ice cream. We spent hours solving problems and laughing at each other. I haven’t seen Jo for many years, but thought about her often. She had a deep, abiding faith that she shared freely. There are so many other things I could say about this memorable friend, but the thing I admired most was her ability to find the good in every person she met. Never a bad word about anyone! I know she is resting peacefully in God’s presence. The perfect example of a life well lived! My sincerest condolences to Carol, Mark, Carl and the extended Sorg family. Til we meet again!

“ The memories of a great neighbor who has watched me grow up from infancy. The love she shared from just next door was abundantly present. She always supported me during fundraisers, would let me eat cherries from her cherry tree, at Christmas time would always gift my sister and I an assorted tin of popcorn ,and was always available just to talk! She watched over me and cared for me like her own and I that memory will forever be cherished. As you sleep peacefully, know that your love , compassion , and uplifting spirit will live on through your family. Sending my deepest condolences to the Sorg family.

“ So many memories of Mrs. Sorg - she was an amazing woman- strong, loving, caring, dedicated and just truly a wonderful person. She lit up a room when she entered but it was her poise, grace and humility that made her sparkle.
I was blessed to have her in my life throughout my childhood, teen and young mom years to be a wonderful example of a woman I could aspire to be- but no one could ever be her- she was truly one of a kind and we were all blessed to have her in our lives. Thank you to the Sorg/Neumann families for always sharing her with us! My thoughts and prayers are with you all xox

“ Carol, Carl, Mark, sending our condolences and prayers on the passing of your mom, grandmother, great grandmother, sister, aunt, friend to many on and on. It was a pleasure meeting and seeing Mom at various family functions and visits to the Creek in the famous SORG crap shack. May the Lord Almighty comfort you and your families and brighten the days ahead with a lifetime of memories.

“ Aunt Jo was always a caring, loving & unselfish woman, not only to all of her nephews & nieces, but to everyone who was lucky enough to be in her company; extended family, friends, neighbors, church members, even strangers.
Uncle Carl & her really knew how to throw a party!
Always had a twinkle in her eye and a smile on her face for all. She will be missed dearly.

“ Aunt Jo was a beautiful woman inside and out. She always made you feel welcome, comfortable and loved. I used to love talking with her about everything under the sun. She was the matriarch of the Sorg family. Love you Aunt Jo, rest in peace.

“ Barbara Grimmie lit a candle in memory of Josephine Marie Sorg

“ My aunt Jo was the most loving and caring person I ever knew. I will never forget the sound of her laughter, kindness and love she shared with everyone. I will share a funny story about her with everyone. When I was very young my mother Edna and my Aunt Jo went to Sunday church together every week, and of course, they would bring me. Back in those days every one wore suits and dresses to church and especially hats. Well, if you knew my mother and Aunt Jo they were not only sister-in-laws but also best friends and super close. In church they would whisper and giggle. This one particular time they were whispering and their noses were touching and they were talking so much and their heads moving back and forth, well my mother's hat slid on top of my aunt's hat so when aunt Jo pulled away from my mom after they got done whispering, my moms hat was on top of aunt Jo's hat. And boy did they laugh out loud for such a long time. Can you imagine Aunt Jo sitting there in church wearing two hats. Needless to say that day I didn't get in trouble for talking to much. I will love you aunt Jo, for the rest of my life.
