“ Lynn, Lee Ann and Andrew,

My condolences to you and your families. So sorry to hear of your loss. Remembering your mother brings back fond memories of my early childhood growing up in Frankford with her being my second mom. She could never get me to like eating the sliced raw green peppers with lunch (when I ate over with Andrew). I preferred the potatoe chips.

She was a great person with a strong core, who accomplished many things. I know all three of you are very proud. She will be missed. May she rest in peace.

Take care,

“ We were deeply saddened to hear about Peg’s passing. She was a wonderful lady and a great friend. We will always cherish the memories of our visits to New Jersey to see her. Whenever we stayed with Peg, she was extremely hospitable and made us feel part of the family rather than just visitors. We have some lovely memories of our sojourns in her home. The care she bestowed on us to ensure our stays were pleasurable was unsurpassed. We’ll miss her warmth, humour and kind nature.

We are very pleased that she managed to attend our wedding several years ago, and we have some wonderful reminiscences of a trip to the Victorian Museum in the Midlands, and the costumed event at Hampton Court Palace during that visit.

Over the years, we’ve had some long, and thoughtful telephone conversations with Peg and, until recently, Peg was always clear minded and articulate.

She will be greatly missed by us all.

“ I moved away from Crofton Lane 4 years ago and remember the many great conversations I had with Peg over the 30 years I lived there. We would reminisce about our early days in nursing and could happily chat all afternoon about many things while hanging out at the Meadowbrook Swim Club. I was privileged to watch her as a devoted grand mom to Livvy and Liam. And she was also a model pet parent. I loved watching her Manx cat trotting after her as she walked her dog. She battled cancer twice with dignity and grace. Truly a wonderful lady who I will always remember fondly.
