

# Michael Cyr

April 30, 1974 - July 14, 2022

On Thursday, July 14, 2022, Michael James Cyr, 48, passed away peacefully surrounded by his family, after a two and a half year battle with cancer. Michael was born on April 30th, 1974 in the town of Bangor, Maine to his loving mother Gloria J. LeGuff-Cyr and predeceased father Rodney G. Cyr. He was predeceased by his grandparents, older brother David Eugene, and his favorite Uncle James LeGuff. He is survived by his 3 amazing children: Zachery and his fiancée Breanna Serody, Hannah Cyr, and Cooper Cyr, as well as his oldest brother Matthew Cyr, step mother Judy Cyr, several step brothers and sisters, many beloved cousins, and several phenomenal friends. He grew up as a child in a town called Orrington, Maine, where he attended high school at Brewer High School all four years playing for the Brewer Witches football team. He attended a year of college and found that it wasn't for him, so instead he moved straight into the workforce where he found joy in helping people. As life moved, so did Michael. In 2011, he moved his family to a little town called Mt. Ephraim in New Jersey. His life grew from there with making new friends at Autozone and then the township of Cherry Hill. He enjoyed taking pictures, building Legos, and most of all making people laugh. We could go on for days telling the endless stories of how Mike loved his children and all the funny memories we will cherish. There are no perfect words to make this easier or make sense of losing such an amazing man too soon. If you had ever got the chance to meet Michael Cyr, all he wanted was to make you laugh and smile. His family is asking that you remember him by his

encouraging

words and the way he made you laugh and smile. Don't remember him because he is gone or

for his battle. Dad, we love you and may you rest easy. In lieu of flowers the family asks that

you make a difference and make a donation in Mike's name to the American Cancer Society.

Services will be announced at a later date by the family
