“ I am so sorry for your loss. It was a pleasure working with Ron at Pennsauken. I really enjoyed talking about sports with him and hearing about the places he traveled to watch his hometown teams. He will surely be missed. My thoughts and prayers are with you.

“ I've known for over 27 years. He was always upbeat, helpful and easy to talk to. He had a passion for anything sport related and boy oh boy did he like to collect memorabilia.

Rest in peace my friend and enjoy that stadium in the sky .

“ Ronnie was one of the most upbeat, positive people I have ever had the pleasure of meeting. I thoroughly enjoyed being in his company albeit not as frequently as I would have liked. His caring and compassion was clearly evident and all it ever really took was simple conversation with him. He loved his family and loved his work - who could ask for more!

Heaven has another angel, and that angel is wearing a Phillies cap!

Until we meet again my friend.

“ Ron was one of the first people to Welcome me to Baldwin School. For the next 6 years we talked Pennsauken People that we both knew, We went to Concerts, Phillies Ballgames, Breakfast at Maritza's & Perkins! He was kind, friendly, loving! He was always upbeat and happy! He was always helping in whatever capacity he could with the little ones at Baldwin. He would wipe down the outside playground equipment for kiddies so they'd be safe playing. He was forever slinging his mop in the building! I remember telling him how VERY IMPRESSED i was at the Cleanliness of the School! He took Pride in his work and it showed. He was also very helpful to the people he worked with....if you needed his assistance or you needed anything...he was there on the double! You could always count on him. He was generous to a fault... always treating us with donuts...coffee...pretzles! He was one of those folks that made coming to work enjoyable. He'd plan Phillies outings....including EVERYONE! He Loved his Family Rosalee and his children...He was very proud of them....they were the topic of many of his conversations! Ron will be dearly missed but forever in our hearts and memories as A VERY GOOD PERSON! I was lucky and blessed to call him FRIEND! Love you Ron! Till we meet again...Rock On! Pat Petronis

“ I am so sadden by the news of your passing. You were a true friend to everyone that knew you. The world will be very different without you in it. Rest in peace.
