“ A kind and caring woman. We only had the privilege of seeing her once or twice a year with Bill and Keiley but she was always so kind and interested in us and our children. We always thought of her as someone who put others first. Peace and comfort to Bill, Keiley and family today.

“ I've heard it said that " He only takes the best", and here's the proof. Sandy was truly a beautiful soul, and my family and I were fortunate to have known her. Sandy devoted her life to her children and grandchildren as well as touching the hearts of so many others. She will be forever missed but not forgotten. RIP Sandy

“ Heaven has finally called her home. We were blessed with her wonderful presence for 82 years. Everyone who knew her greatly enjoyed her company. She enriched the entire family with her generosity and joy. Sandy was always ready and eager to join in on the fun on any and every occasion. Her favorite piece of advice to all was the famous Shakespeare quote "To thine self be true".with which she encouraged others to follow their true values. By being true to her herself she greatly enriched the lives of those around her. We are all better for having known her. I am not going to say "Good-bye" but rather as in many languages "Until we meet again". Requiescat in pace.
